

We know we need to keep our physical distance so we can all stay safe. So instead we are going to increase other ways to connect with all of you online and use social media. These include:

- * An 0800 phone line - **0800 POUNAMU (0800 768 626)**. If you need someone to talk to or want to find out details for the online hui please call us. This line will be open from **8am till 10pm**.
- * Regular zoom (online) hui in your regions. Details will be sent out via email. Please let us know if you need any support to access this virtual option.
- * Regular facebook updates. Find us on Te Kete Pounamu. Please feel free to send us a message as well.
- * You can also message us on teketepounamu@terauora.com or a text on **021 751 256**.

Kia Rārangahia e tātou te kete kia kotahi. Hei kawea atu te pounamu tawhito

Let us weave the basket together as one. To hold the ancestral treasures of old.

TE RAU ORA
