

LEVEL 4 COVID 19 ADVICE FOR CANCER PATIENTS AND THEIR WHĀNAU

Avoid close
contact even
in your own
whare

Stay home
except to get
kai or for
healthcare

Get your flu
vaccinations

Wash hands
and wipe
household
surfaces
frequently

Keep taking your cancer medicines as usual
Your cancer team will tell you if there are any changes

Your cancer team will
tell you if your
appointment times have
changed or if they are
now over the phone

Your cancer team will tell
you when and where to
get blood tests

IF YOU HAVE TO LEAVE YOUR WHARE

Wash your
hands before
you leave

Stay at least
2 metres
away from
others

Avoid
touching
surfaces and
your face

Wash your
hands again
when you
get home

1) If you have any cancer related
symptoms, call your cancer care team

2) If you have any flu like symptoms,
call your cancer care team or healthline

3) If there is an emergency call 111
